## Rules

- Game Length:** Games last 12 minutes.
- Roster:** Each team must have four players. Three  
players play the field at one time. The team on the  
field is comprised of a sweeper/keeper and 2 field  
players. The substitute waits behind their goal.
- Substitution:** The referee calls for “substitution”  
every 3 minutes. The substitution rotation is as  
follows: Substitute in as sweeper/keeper, sweeper/  
keeper to field player, field player to substitute.  
The team in possession at the time the referee calls  
substitution restarts the play with a goal kick.
- Goal Kicks:** Goal kicks are indirect. No one is  
allowed in the goal box during the goal kick. The  
ball is live once the sweeper/keeper touches it, but it  
may not be touched by another player until it has  
crossed the 6 yard line.
- Kick-Ins:** The ball shall be kicked into play from  
the sideline instead of a throw in.
- Slide Tackling:** Players must stay upright and  
“on their feet” when challenging an opponent.  
This does not prevent sliding to stop/intercept  
a ball, but no contact can be made.

## Field Layout

Sweeper/Keeper can use hands anywhere in the  
goal box at anytime.

Goals are 4 feet by 9 feet. *Helpful hint - get  
the sweeper/keeper involved in the attack as  
much as possible!*
